The St Josemaria website is being joined to www.opusdei.org

2017.12.27

As of January 9, 2018, there will be a new version of the official website of St Josemaria. All the contents of this website will continue active, but they will be joined with the Opus Dei website, (www.opusdei.org), in a special section. The web address www.josemariaescriva.info will continue functioning.

The new arrangement will mean that the St Josemaria website will be easier to access from mobiles and other devices. Additionally, the Opus Dei website will be enriched with content about Opus Dei's founder.

The e-mail newsletter sent from the St Josemaria website will no longer operate.

To continue (or start) receiving a weekly e-mail newsletter about St Josemaria, simply go to the Opus Dei website, www.opusdei.org, scroll down the homepage to "Subscribe to Newsletter", enter your e-mail address, and click "SUBSCRIBE". You will receive an e-mail asking you to confirm your subscription.

The newsletter is sent weekly and whenever a major new item appears on the website. From now on it will include news about St Josemaria. Subscriptions to the newsletter can be cancelled at any time.
